Call for Papers

Editor-in Chief :
Prof. Yong Zhou,
Department of Mathematics
Xiangtan University,
Xiangtan, Hunan, 411105
P.R. China

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **Communications in Differential and Difference Equations (CDDE)**, which publishes top-level work from all areas of methods of differential and difference equations.

All submissions should be made Electronically to the Editor-in-chief through: (EIC: irphramanand@gmail.com/irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The Communications in Differential and Difference Equations is an international journal of rapid publication devoted to the publication of original research papers on the qualitative theory and methods of differential and difference equations. Areas and subareas of interest include functional differential equations, ordinary differential equations, partial differential equations, functional partial differential equations, integral differential equations, delay difference equations, discrete dynamical systems and their applications in engineering, biological, and related fields..

Submission: Authors are requested to submit their papers electronically to **irphramanand@gmail.com/irpeditor@gmail.com** with mention journal title **(CDDE)** in subject line.

Author benefits:

The benefits of publishing in **Communications in Differential and Difference Equations (CDDE),** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 5-7 working days)
- Excellent editorial standards
- Completely Open Access.
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience.

Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,
Prof. Yong Zhou, Editor-in-chief
Communications in Differential and Difference Equations
