Call for Papers

Editor-in Chief :

Prof. Atul Prakash,

Dept. of Electrical Eng. & Computer Science
University of Michigan, College of Engineering,
Ann Arbor, MI 48109-2121.
U.S.A.

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Computer and Internet Security (IJCIS)**, which publishes in all areas of computer & Internet Security and their application. All submissions should be made electronically to the Editor-in-chief through: (EIC: irphramanand@gmail.com / irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The Journal **IJCIS** presents research and development results of lasting significance in the theory, design, implementation, analysis, and application of secure computer systems. The journal provides an opportunity to publish articles of greater depth and length than is possible in the proceedings of various existing conferences, while addressing an audience of researchers in computer security who can be assumed to have a more specialized background than the readership of other archival publications.

Submission: Authors are requested to submit their papers electronically to irphramanand@gmail.com / irpeditor@gmail.com with mention journal title (**IJCIS**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Computer and Internet Security (IJCIS)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 5-7 working days)
- Excellent editorial standards
- **Completely Open Access.**
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Prof. Atul Prakash, Editor-in-chief
