Call for Papers

Editor-in-Chief

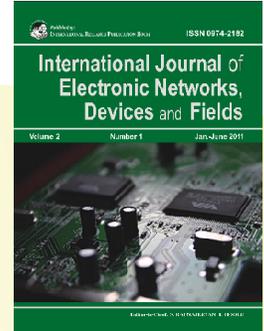

S. Ratnajeevan H. Hoole,

Electrical & Computer Engineering Department

Drexel University,

Philadelphia, PA 19104-2875,

U.S.A

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Electronic Networks, Devices and Fields (IJENDF)** is a scholarly international journal that publishes original research papers in the fields of electronic networks, devices and fields. All submissions should be made electronically to the Editor-in-chief through: (EIC: irphramanand@gmail.com/irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The International Journal of Electronic Networks, Devices and Fields (IJENDF) is a scholarly international journal that publishes original research papers in the fields of Electrical and Electronic Engineering and in related disciplines. Areas included (but not limited to) are electronics and communications engineering, electric energy, automation, control and instrumentation, computer and information technology, and the electrical engineering aspects of building services and aerospace engineering.

Submission: Authors are requested to submit their papers electronically to irphramanand@gmail.com/irpeditor@gmail.com with mention journal title (**IJENDF**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Electronic Networks, Devices and Fields (IJENDF)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 5-7 working days)
- Excellent editorial standards
- **Completely Open Access.**
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

S. Ratnajeevan H. Hoole, Editor-in-chief

International Journal of Electronic Networks, Devices and Fields (IJENDF)
